ANTEDU

Natural Wood · Safe & Non-Toxic · Handcrafted in Vietnam

Product Catalog 2026

anteduwoodvn.com

EN71 · ASTM F963 · CE · FSC Certified · OEM & ODM Available

Why Source from Antedu?

<p>■ Real Solid Wood Hinoki, Walnut, Beech, Acacia — premium natural wood with non-toxic finish. Safer and more durable than plastic.</p>	<p>■ 40–50% Lower Cost Vietnam manufacturing delivers premium quality at significantly lower cost vs European or US-made wooden toys.</p>
<p>■ Better Quality vs China Stricter QC: no filler wood, superior sanding and finish. Your customers will feel the difference.</p>	<p>■ Full OEM & ODM Your logo, colors, and packaging. Wood type, coating, and design fully customizable from 500 units MOQ.</p>
<p>■ Internationally Certified EN71 · ASTM F963 · CE · FSC. Ready for EU, US, and global markets with full documentation.</p>	<p>■ Fast & Reliable Sample in 14–30 days. Production 45–90 days. FOB Vietnamese port with transparent pricing.</p>
<p>■ Sustainable by Design Zero-waste production — offcuts become toys, sawdust becomes natural sachets. Nothing wasted.</p>	<p>■ Proven Export Track Europe · North America · Middle East · Asia-Pacific. Experienced with international shipping and compliance.</p>
